

## Current Brexit statement as at 14 January

Scarab Sweepers Ltd works with customers and suppliers both within and outside of the EU, and therefore we are keenly interested in the outcomes of Government negotiations with regard to exiting the EU.

Work is underway to identify, manage and mitigate the business impact anticipated, both under the draft Withdrawal Agreement and under a 'no deal' scenario.

Our key priority is on minimising negative impacts on our machine, service and product provision so that customers retain a high level of service regardless of the nature of our departure from the EU.

We are monitoring the situation closely and will continue to do so, seeking advice and information from third parties as required.
