

**SWEeper CARE**

KEEP ON SWEEPING WITH OUR REFURBISHMENT PLAN

# REINVIGORATE YOUR SWEEPER

The all new Refurbishment Plan, bringing a new lease of life to your sweeper

With our Scarab Refurbishment Plan you can make your sweeper even greener.

Refurbishment is a cost effective solution to replacing your vehicle, and by extending its life-cycle you benefit from a lower carbon footprint, which is better for the environment too.

Our different levels of Refurbishment Plans can keep your sweeper in top working condition for many years, so ask about them today!
